

modbar pour-over

Expand your menu – and your margins – with automated by-the-cup offerings.
Maintain full control with manual brewing and programmed pulse recipes on the counter.

Brew by hand using one of the two included spray tips, or teach the machine up to 25 different recipes accessible at the touch of a button. Adjust flow rate to suit your brew method and extraction preferences.

store 25+ pour-over profiles

two active profiles at a time
